WHEATON'S MEN

Land in Gulf of Lingayen and
Find Enemies.

The Rebels were Routed After
Brief Desperate Fighting—
Slight Details.

MANILA, P. I., Nov. 9.—General
Wheaton's men had a fierce fight
soon after landing at the port in the
Gulf of Lingayen. The Filipinos lay
in trenches and met the advance of
the Americans with heavy firing.
The infantry by charging gallantly
saw the rebels and drove them away
after a brief and desperate fight. Two
Americans were wounded. The Fili-
pine casualties are not yet reported.
When the dispatch boat left General
Wheaton's men had already begun the
advance eastward.

REBELS FLED.

Gen. McArthur's Forces Take Ma-
halaat Without Loss.

MANILA, P. I., Nov. 9.—Gen. McArthur
has occupied Mahalaat. His en-
tire line, including the Twelfth, Sev-
entieth and Nineteenth infantry,
and part of the Fourth cavalry, ex-
tended three miles in front of An-
geles, in a good tactical position.
Major Holt took Mahalaat, being
ordered to reconnoitre yesterday un-
til he located the enemy, he pushed
into their camp, driving out two com-
panies of insurgents and killing sev-
eral Filipino officers. The Ameri-
cans suffered no loss.

LOW RIVER AT EVANSVILLE.

EVANSVILLE, Ind., Nov. 9.—The
Ohio river at this port is lower now
than it has been at this time of the
year for many years past.

On account of the low water one
of this city's largest industries is
seriously affected. The saw mill
men are unable to gather in a supply
of logs to run their mills, conse-
quently many of the mills have shut
down till the river gets to a better
stage.

TO PREVENT A SPREAD.

BERRLIN, Nov. 9.—The Cologne
Gazette asserts the object of the
conference between the czar and Kaiser
at Potsdam will be to discuss the
means for preventing the Anglo-Ber-
lin war from spreading beyond South
Africa and causing a general European
conflict. The Kaiser's visit to
England, says the paper, will be a
quest to settle the question of delimita-
tion of the war area definitely.

TRYING CONSPIRATORS.

PARIS, Nov. 9.—The senate sits at
a high court justice today to try the
conspirators against state who were
brought before that body to hear the
indictments against them read.

The Election News the Sun
Today Has Is Very
Pointed.

TAYLOR GIVEN THE VICTORY

With Reports From all the
Counties in the Majority
Is Over 500.

OFFICIAL COUNT TOMORROW

LOUISVILLE, Ky., Nov. 9, 9:48
P. M.—Gen Taylor is undoubtedly
elected by four to five thousand.

Goebel claims the victory and
will attempt to steal the result by
padding the returns from all the
counties.

The Post puts Taylor's majority
at 4,200.

The Legislature is Democratic,
but is anti Goebel and anti Black-
burn.

FRANKFORT, Ky., Nov. 9.—It will
require the official returns Friday
to arrive at any satisfactory con-
clusion as to which party has won in
the state election. Complete returns
this morning make Gen. Taylor 546
votes ahead. A contest is certain
and two inaugurations most prob-
able. Plenty bloodshed is predicted.

LOUISVILLE, Nov. 9.—At the Re-
publican headquarters Taylor's elec-
tion was claimed by upward of 5,000.
All counties have reported in some
way, but not satisfactory. The Re-
publicans understand the Goebels' game
of delay and are watching them
close, feeling sure a steal is on foot
and will be worked if possible. To-
morrow the official count will be made
and then will come out the facts of the
elections. The Republicans are
determined to have justice and will
not submit to anything else.

Goebel Claims.

Windy dispatches were used here
today to establish Goebel's election.
Nothing was given to justify the
claim, except the hope that if any
stealing could be done the telegrams
would pave the way.
The Courier-Journal this morning
claims Goebel's election by 2,000. If
his other showings were as inaccurate
as those from this precinct, the claims
are just as inaccurate as they possibly
could be.

TWO OPINIONS.

One Is Expressed By Pauncefote
and Other By Carnegie.

NEW YORK, Nov. 9.—Lord Julian
Pauncefote, British ambassador to the
United States and Andrew Carnegie
arrived from Europe today. The
former says the war with the Boers is
approved throughout Great Britain
and he predicts that Gen. Buller ar-
rives to clear up at once. Mr. Carnegie
denounces the war and says it is on a
par "with our attack on the Filipinos."
Carnegie denies that he intends to be-
come an English subject.

COMMERCIAL CLUB.

Officers to Be Elected This Even-
ing at the Meeting.

The Commercial club meets to-
night and the regular annual elec-
tion of officers will take place. There
will probably be few, if any, changes.

No secretary is appointed, as he is
elected for a term embracing his good
behavior.

The Commercial club has proven
the of Paducah's best organizations,
and has done incalculable good in
advancing the interests of Paducah
during its year of existence.

DODGED BUT CAUGHT.

Joseph Elmore, a young man of May-
field, wanted here for several months
in charge of grand larceny, was
caught this afternoon by officer Orr.
He is alleged to have been an accom-
plice in the theft of about \$75 taken
from A. J. Carter.

Max Woods was charged with com-
plicity, and is out on bond. Elmore
was remanded to jail in default of a
\$300 bond.

MUST HANDS OFF.

BERLIN, Nov. 9.—The military cabi-
net, by order of the Kaiser, has de-
cided the district generals not to
permit German officers, whether in
active service or on furlough, to take
part in the South African campaign or
to do anything tending to violate Ger-
many's strict neutrality.

FAIRLY GOOD NIGHT.

PATTERSON, Nov. 9.—The rumor
started last night that Vice President
Robert suffered a sinking spell dur-
ing last night was denied at the Hobart
home this morning. It was also given
out he had passed fairly a good night.

WEATHER INDICATIONS.

Fair tonight and Friday.

POLICE COURT.

Unimportant Cases Tried This
Morning By Judge Sanders.

There was a brief session of the po-
lice court this morning.
Jeff Carter, charged with striking a
woman at his saloon, was acquitted,
the evidence showing that she was try-
ing to push her way in after a man
with a picture she claimed he had be-
longed to her.

Hat Hall was fined \$20 and costs
for gaming and a warrant against
Coleman Alexander was dismissed.
Jeremiah McGraw, a tobacco maker
of St. Louis, who was here looking
for a job and applied for lodging at
police headquarters, was arraigned,
but ordered to get out of town unless he
got work today.

Frank Grundy was fined \$5 and costs
for indecent exposure. Yesterday he
claimed that he was the wrong man,
but his memory seems to have revived
since then.

J. I. Langston was fined \$1 and costs
for using insulting language towards
a colored man at the Lobb-Bloom ho-
tel. The man was insolent to him and
this was considerable provocation.
Harry Bonding, a tramp from Cin-
cinnati, was charged with trespass
by going to sleep on an L. C. switch
engine. He claimed that a man with
a lantern gave him permission to go to
sleep on the engine and keep warm, and
he did it. Watchman Tolbert found
him there and arrested him, saying
that no one had authority to give him
permission to go to sleep on the en-
gine, and that it was a practice the
road was trying to break up, as it was
dangerous. Judge Sanders said he
would stick by the railroad company
and fined the vagrant \$10 and costs.

GEN. WHITE

Seems Able to Hold Ladysmith
Against the Boers.

The Latest From the Despatch
City Was Received By
Carrier Pigeon.

LONDON, Nov. 9.—General White
in a message from Ladysmith, by
pigeon, dated November 5, reports
the list of wounded in the battle of
Tloane, which was sent him by the Boers.
General White adds the Boers discon-
tinued the bombardment Saturday
and Sunday and up to time the message
was sent. It was expected a recon-
naissance of the bombardment that day.

CAPE TOWN, Nov. 9.—Some of the
wounded Gordon Highlanders from
the battle of Ellendlaagte have arrived
here from Durban. They were shot by
the Boers after the latter had shown
from flags of truce and the British
tongue had sounded "cease firing."

CAPE TOWN, Nov. 9.—Pretoria ad-
vises say President Kruger is not dis-
turbed by the war news. He is usu-
ally found sitting on stoep of his
residence placidly smoking.

CAPE TOWN, Nov. 9.—A Queens-
town, Cape Colony, message says Coles-
burg, on Port Elizabeth railroad, just
south of Orange river, has not been
occupied by the Boers, as first report-
ed. The Orange Free State troops
evidently intend to act entirely on
the defensive.

AN EDITOR DEAD.

H. M. Saunders, of Bardwell, Pass-
From Life Here Today.

Mr. Hugh M. Saunders, for many
years the editor and owner of the
Bardwell Star, from which he but
lately retired, died at 1 o'clock this
afternoon in Paducah. He expired at
the residence of his brother-in-law,
Mr. J. W. Overstreet, corner of Twelfth
and Jefferson streets, and the cause
of his death was consumption, from
which he had long suffered. Mr. Sau-
nders was a worthy man, with a wide
acquaintance, and where known was
held in high esteem. He left a third
wife and perhaps several children
and a brother, Major Saunders, of
Graves county. The remains will be
taken to Bardwell tomorrow for in-
terment.

WILL MARRY HERE.

Mr. G. E. Dalton, of Hopkinsville,
and Miss Kate Breathitt, of the same
place, but who is now a guest of Mr.
M. Giffin, at Sixth and Court, will
be married here tonight. Mr. Dalton
came in this morning. They will re-
side in Hopkinsville.

HIT WITH A HAMMER.

Henry Johnson and Bob Caldwell,
who work at Bob Parker's blacksmith
shop, engaged in a dispute this morn-
ing over a small debt. Caldwell
was struck in the head with a hammer
and painfully, though not seriously
injured.

Stronger Than Steel.

It is difficult to realize that so frag-
ile looking a concern as a spider's
web is proportionately one of the
strongest things in existence. The or-
dinary spider's thread would support
without breaking a weight of three
grains. Now a bar of steel one inch
in diameter will sustain fifty tons. If
you take the diameter of a spider's
thread, and calculate what weight the
same thread in an inch in diameter
would support, the conclusion arrived
at is no less than seventy-four tons,
which means that the strength of the
seemingly feeble thread is, as near as
possible, as much as one and a half
times that of the steel.

DEWEY WEDS

The Admiral and Mrs. Hazen
Were Made Husband and
Wife Today.

WAS AGAIN AHEAD OF TIME

Married Week Earlier Than Ex-
pected and at Church and
Not at Home.

NOW OFF ON A BRIDAL TOUR

WASHINGTON, Nov. 9.—Admiral
Dewey and Mrs. Mildred Hazen were
united in marriage this morning at
9:30 o'clock in Washington. The
marriage was a very quiet event. It,
too, was unexpected to a great extent,
the idea being that it would occur
some time next week.

Yesterday the application for the
license was made by Lieutenant Har-
dy H. Caldwell, U. S. N., Admiral
Dewey's secretary in person. The
information furnished the clerk and
set forth in the license is that Admiral
Dewey is 61 years old and his bride
elect 48; that both are citizens of the
United States, and that in the case
of each party there was one former
marriage. To these statements Lieut-
enant Caldwell was required to make
oath.

WASHINGTON, Nov. 9.—Admiral
Dewey and Mrs. Mildred Hazen were
married at St. Paul's Christian
church, Father Mackin officiating, at
9:30 this morning. At 10 the ad-
miral and wife drove to the resi-
dence of Mrs. Washington McLean,
the bride's mother. The admiral
helped his wife out of the carriage
and stepped into the hall with her
for a few minutes in person. He afterwards
re-entering the carriage and drove
away. Mrs. Washington McLean
and her other daughter, Mrs. Lullow,
drove up to the residence a few min-
utes later.
At 11 o'clock Admiral Dewey re-
turned to the bride's residence and
partook of a quiet wedding breakfast.
The only witnesses to the marriage
ceremony were Mrs. Dewey's mother
and sister and Mr. Dewey's secretary,
Lieutenant Caldwell.

The celebration of the nuptials was
at St. Paul's church instead of Mrs.
McLean's home, and was a great sur-
prise, but was evidently due to
throw the curious public off the track.
Admiral and Mrs. Dewey left this
afternoon for New York. They did
not travel in a special car but occu-
pied seats in a drawing room car.
There was no demonstration at the
depot, only the gate keepers and a
few others recognizing the hero of
Manila as he hurriedly passed through
the gate with his bride.

ARE TO SOON WED.

A Golconda Belle and a Paducah
Business Man Happy Ones.

Friends here are in receipt of cards
announcing the marriage of Miss Helen
Elizabeth Rose, daughter of Mr. James
A. Rose, secretary of state of Illinois,
and Mr. James P. Smith, the well-
known young wholesale grocer of
this city. The wedding will take place
at 8 p. m. November 22, in the First
Presbyterian church at Golconda, Rev.
J. H. Stevens, of Golconda, and Rev.
W. E. Cave, of this city, officiating.
After which a reception will be given
at the home of the bride's father, the
hours being 8:30 to 11 o'clock. The
couple will take an extensive bridal
tour, going to Florida and to Havana.
After December 10th they will be at
home to their friends at their residence,
430 Washington street, in this city.
This marriage is going to be a grand
social event and will be attended by
a host of friends outside of Golconda.
The personnel of the highly esteemed
and widely known contracting parties
needs no mention.

The attendants for this event will
be: Maid of honor, Miss Allie Bell-
Sanders, of this city; best man, Mr.
A. S. Thompson, of this city; bride's
maids, Miss Margaret Shott, of In-
dianapolis, and Miss Effie McCoy, of
Golconda; ushers, R. Rudy, of Padu-
cah, Otto Thompson, of Golconda and
Charles Rose and Will B. Wines, of
Springfield, Ill.

Congratulations though early are in
order.

DOG IN A DIVORCE COURT.

A bloodhound at Bucharest Picks Up a
Bit of Evidence.
A certain well-known inhabitant of
Bucharest is the director of a manu-
factory which, being situated in the
outskirts of the city, he goes to early
each morning, returning late in the af-
ternoon. The director was some few
years ago married to the daughter of
a rich merchant. He also possesses a
splendid bloodhound, which had become
very clever in finding and bringing any
lost object of his master or mistress.

Little did the director, when teaching
his dog this trick, fancy to what pur-
pose he was doing it. Among his in-
timate friends he reckoned a certain
banker, and visiting him one after-
noon, accompanied by his dog, he re-
turned at night around the waste paper
basket, and then bring out from among
the scraps of paper a green silk hand-
kerchief, which seemed strangely fam-
iliar to him. He seized it and pocket-
ed it without the banker noticing,
and soon after took his leave. The
lady was packed off to her parents and
proceedings for a divorce commenced.
She ultimately confessed to having
given the handkerchief as a memento,
which the banker had thrown into his
waste paper basket to be found by this
famous bloodhound.

MUSIC IN SCHOOLS.

Nothing Has Been Heard From
Miss Sachs Yet.

Nothing has been heard from Miss
Alice Sachs, music teacher in the
Paducah public schools, who went
to Louisville, Ill., and it is understood
from the Louisville papers has re-
signed. Before leaving Miss Sachs
expressed her intention to relinquish
her position, but was asked to recon-
sider, and it is presumed she consid-
ered it a resignation.
Miss Charlotte Fields, formerly
music teacher, is an applicant for
the place again.
The matter of placing a piano in
the high school has not yet been
decided by the board of education,
and was left open until the next
meeting.

NEW TIME CARD

Local Officials Receive Details
of Changes Made.

Trains Will Be Run Around the
"Y"—Other Railroad
Notes.

Superintendent W. J. Harahan, of
the Illinois Central, has sent out a
circular to all the officials, noting the
changes in the schedule which go into
effect Sunday morning at 7 o'clock.

They are:
No. 201 leaves Louisville at 12:01
p. m. and arrives at Paducah at 6 p. m.
This train now arrives at 2:30 p. m.
No. 202 leaves Paducah at 11:45
a. m. and reaches Louisville at 5:45
p. m. It now leaves here at 2:20 p. m.
No. 203 leaves Louisville at 9:40
p. m. and arrives at Paducah at 3:47
a. m. There is no change in this
train, it now arriving at this time.

No. 204 leaves Paducah at 1:20
a. m. and reaches Louisville at 7:45
a. m. There is also no change in
this train.

The above are the "fast trains," or
"annon balls," and will all be run
around the "Y." It will be seen that
they reduce the time between Paducah
and Louisville to less than six hours,
a reduction of nearly an hour.
Trainmaster Flynn stated this morn-
ing, in answer to a question, that
until the new depot is complete the
I. C. will run a transfer train from the
Union depot out to the new depot for
the four fast trains, which will not
come into the city. The train will
leave the Union depot, with baggage
car and coach, unload on the new
depot platform, and when the trains
arrive will stop only long enough to
load and unload, and the transfer
train will then run back to the Union
depot with the mail, baggage and
passengers transferred.

Other changes are to be made as
follows:

No. 221 leaves Louisville at 7:45
a. m. and arrives here at 4:30 p. m.
This is the train that was taken off
some time ago. It formerly ran be-
tween Louisville and Fulton and ar-
rived here about 6 m. It is on this
train that the Louisville morning pa-
pers will arrive. This will be very
damaging to their sales, as it will
place them here after all the other
morning papers.

No. 222 will leave Paducah at 7:45
a. m. and arrive at Louisville at 4:45
p. m. These two trains now leave
the respective places at the same time,
but go only as far as Central City.
No. 231 will leave Louisville at 5
p. m. and arrive at Central City at
10 p. m.

No. 232 will leave Central City at
4:15 a. m. and arrive in Louisville at
9 a. m.

The fast trains will make connec-
tion at Louisville with the Washing-
ton and New York flyers, and at
Princeton the connection with the
Evansville division trains will be good.
As on the new depot is completed
the trains will all be run around
the "Y."

Trainmaster Flynn, Yardmaster Sur-
ran and the dispatchers will move
their offices to the new yards Satur-
day. The new yards, however, will
not be completed for two or three
weeks.

A letter from Superintendent Har-
ahan states that the inconvenience of
people will be reduced just as
much as possible, and while the road
realizes that the public will be in-
convenienced by the change for a time, it
will be only for as short a period as
possible, and everything possible will
be done to complete the depot and have
facilities for getting there.

The trains 221 and 222 will run
from Louisville to Fulton and from
Fulton and Louisville. This will re-
store the old Fulton accommodation,
enabling people to come from Fulton
and intervening points and remain
the entire day, arriving at 7:45 a. m.
and returning at 4:45 p. m.

Superintendent of Machinery William
Renshaw, of the I. C., was in the city
yesterday afternoon until 6 p. m. He
left for Chicago on the 6:15 train
over the St. Louis division, and had
been to Fulton to inspect the two big
engines, the "biggest in the world."

Flagman Hicks, at Sixth and the
Union depot, is on the sick list.

MINSTRELS TONIGHT.

The Barlow minstrels arrived in
town this morning and gave a fine
street parade at noon which was wel-
comed by a large crowd. The com-
pany will appear at the opera house
tonight and all lovers of first class
minstrelsy should not fail to see this
famous company.
